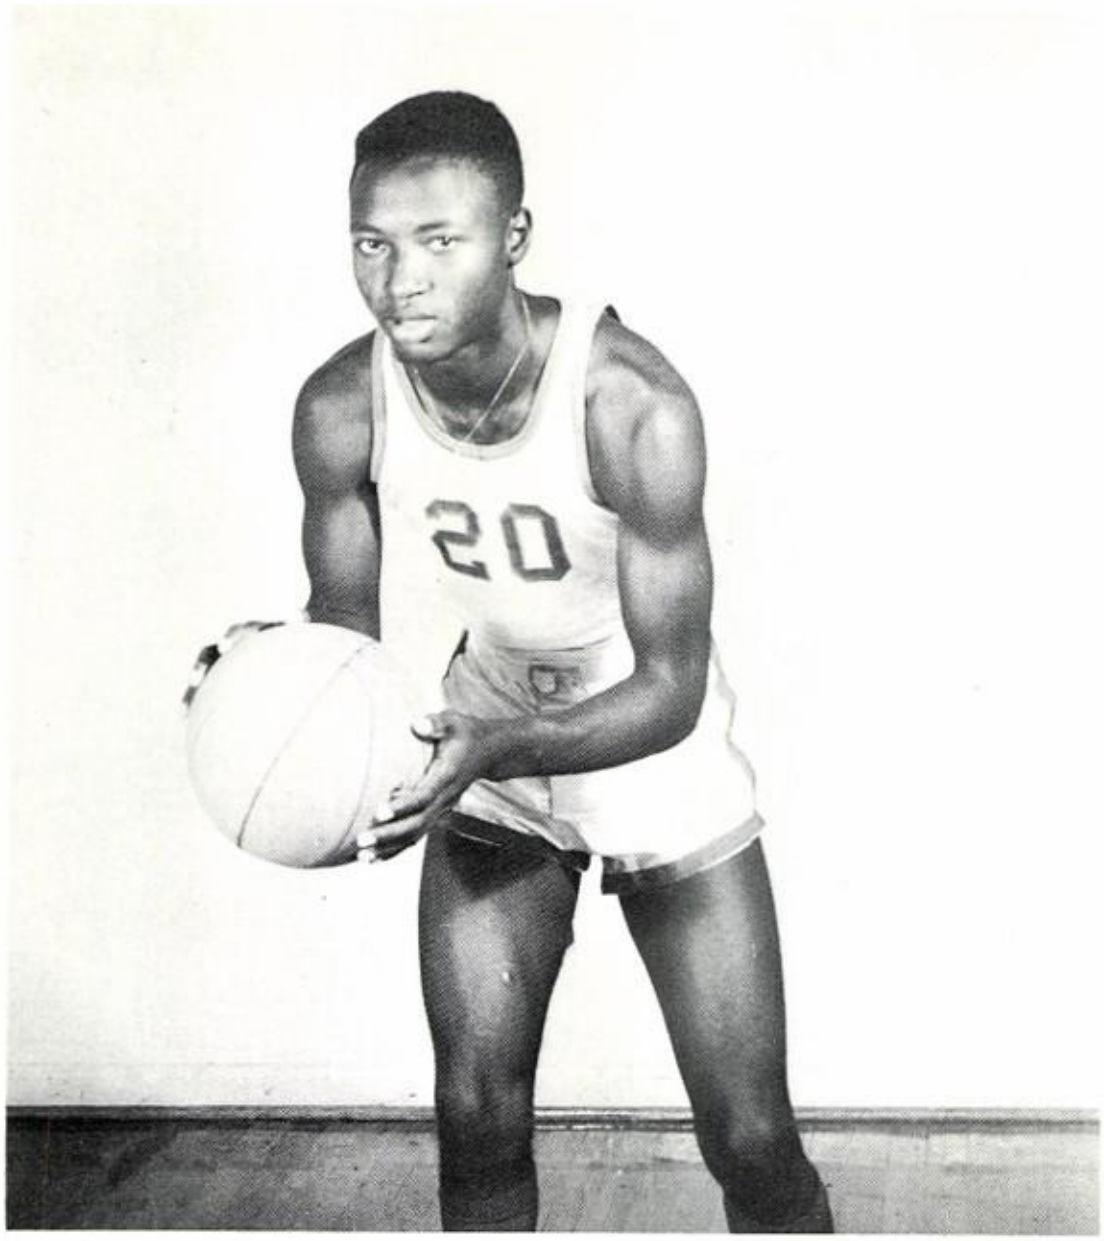
DEDICATION



IN MEMORY OF MACK CLEVELAND, JR.

The Eastside High School faculty, students, and friends proudly dedicate The Demon Yearbook 1967-1969 to one who left a traceable mark on "the sand of time." His influence was felt throughout the Eastside High School and his never-ending aspirations were respected by all.

The respect for and to him was little verbalized during his life and we think it only fitting to render due benevolence to his sacred memory.

We dedicate The Demon Intellect to his finer character traits that led others to respect and love him. He forever showed forth the rarest, yet best kind of leadership ever shown at Eastside High School and led his school to perhaps its greatest athletic achievement. He was quite an unusual scholar who felt the need to be well-rounded more necessary than to be popular, yet his popularity grew. He was a most affable person who showed what it really means to live in harmony with everyone.

Because of his high aspirations, continuous achievement and irreproachable leadership, he fits Emerson's historic words: "The reward of a thing well done is to have done it well."

EASTSIDE IN MOTION 1967-69

SUPERINTENDENT'S MESSAGE

A STATEMENT FROM THE PARISH SUPERINTENDENT

Picture the progress made by the consolidation of the three formerly all-Negro schools from which Eastside grew. The modern school plant you pupils attend and you teachers teach in is a far cry from the three plants you formerly had, namely Union Parish High School, Marion Industrial and Lanes Chapel. The qualifications of your teachers have vastly improved and your transportation is one of the best found anywhere.

The attitude and participation of your pupils in all community activities have improved immensely in recent years. I want to thank the teachers, students, parents and the community as a whole for your contribution to education in Union Parish which has not been easy to come by.

To all who have a part in your yearbook, your school, your community and your parish, let's strive to make the next decade the best in your school history.

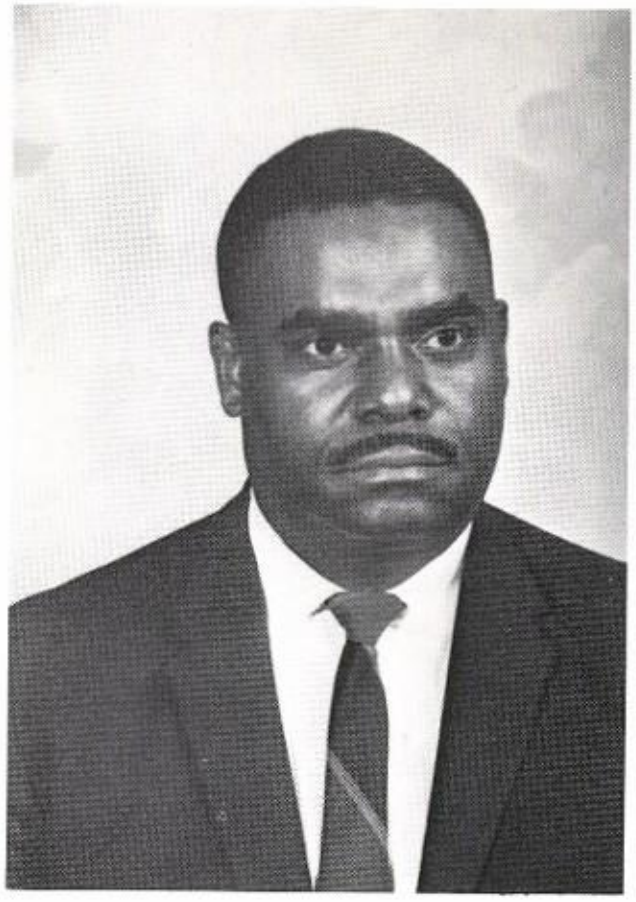
Sincerely,

J. G. Elliott

PRINCIPAL

Mr. O. B. Adams, Sr.

ASSISTANT PRINCIPAL



Mr. John Q. Watley

PRINCIPAL'S MESSAGE

I am very happy to be able to bring greetings and best wishes to all school personnel and patrons of Eastside High School by means of the fourth issue of THE INTELLECT. My interest in you, your achievements, your problems, and your ambitions is sincere and permanent. I have every reason to believe that this feeling of deep concern is a mutual one. Consequently, I am constantly seeking means to communicate with you.

My firm belief is that Eastside High School is destined to make worthwhile contributions to education in Union Parish, our state, and our nation. Everything that we do here is intended to contribute to this end. Additional facilities and equipment which are expected to be available in the near future will tend toward making the realization of our objectives possible. Through cooperative effort at all levels and adequate facilities and equipment success in our endeavors can and will be accomplished.

The future appears bright and all of us at Eastside High are engaged in an educational venture which is sure to pay high dividends in the years which lie ahead.

I sincerely wish for you and yours good health, happiness, and prosperity.

Affectionately yours,

O. B. Adams

COUNSELORS

Earnestine Clark 1967-68

Mamie Green 1968-69

COUNSELOR'S MESSAGE

Guidance services are regarded as organized activities designed to give systematic aid to pupils in solving their problems and in making adjustments to various situations which they must meet. The program is based on the premise that the goals and objectives of education and guidance are commensurable, as both are concerned with adjustment to environment and to development of social competence. Emphasis is placed on educational experiences and on guidance services which present situations conducive to self-direction, self-discipline, and self-understanding.

DEPARTMENTS

IN ORDER TO COPE WITH THE NEEDS OF EVERY STUDENT EFFICIENTLY, A SCHOOL MUST HAVE DEPARTMENTS. THOUGH THEY SEEM SEPARATE, EACH STRIVING TO ACHIEVE THE HIGHEST STANDARDS IN THEIR AREA, THEY ACTUALLY WORK COLLECTIVELY FOR THE GOOD OF THE STUDENT AND THE SCHOOL. NOT ONLY DO THEY ACHIEVE EXCELLENCE, BUT THEY ALSO ENGAGE IN PLANNING NUMEROUS EXTRA CURRICULAR ACTIVITIES; THEY SPONSOR MANY EVENTS AND OUTINGS THAT HELP TO SHAPE AND MOLD THE STUDENTS' CHARACTER. OUT DEPARTMENTS ARE WORKING TOWARD EVEN GREATER ACHIEVEMENTS IN THE FUTURE AND WE ARE CERTAIN THAT TIME WILL SHOW THE EXPANDING SCOPE OF OUR DEPARTMENTS IN THE FIELD OF EDUCATION.

ACTIVITIES

A WELL-ROUNDED PERSON IS AN ASSET NOT ONLY TO HIS HIGH SCHOOL BUT ALSO TO HIS SOCIETY. HERE AT EASTSIDE, WE STRESS GOOD SCHOLARSHIP WITH A NEEDED EMPHASIS ON EXTRA-CURRICULAR ACTIVITIES. THE ACTIVITIES WE OFFER ENABLE OUR STUDENTS TO TAKE PRIDE IN THEMSELVES AS WELL AS IN THEIR SCHOOL. THEY ALSO PROVIDE AN INTEREST THAT IS BOTH EDUCATIONAL AND AT THE SAME TIME FUN. THESE ACTIVITIES ARE SPEARHEADED BY CAPABLE MEN AND WOMEN WHO ARE INTERESTED IN TODAY's YOUTH. WE BELIEVE THAT THE YOUTH OF TODAY ARE THE HOPE AND PROMISE OF TOMORROW.

ALMA MATER

Tune "He" ..... Words by Mrs. Mary G. Adams

You, dear Eastside High you make our hearts stand still,
You dear Eastside High, afford us every thrill,
Now when we are sad you make our spirits rise,
And when we are glad our joys mount to the skies.
You will always meet our everlasting needs
And your voice and call our ears will always heed.
Your enduring charms and inspiration
Will ever be our ideal.

You, dear Eastside High demand our loyalty;
True to the Red and White we will always be
And in storm and rain or in sunshine bright
'Round your wonderous cause we will rally and fight;
To achieve life's goal and assure the victory;
Now forever more and to eternity
We will sing thy praise both far and nigh
Eastside, dear Eastside High.

PHILOSOPHY

We believe that education is both a right and a privilege of all youth and that education is a privilege for adults.

The Eastside High School administration and faculty, with the aid of agencies outside the school, prepare students to operate more effectively in a democratic society through formal instruction, other activities, and services. We relate instruction and activities to experiences in such a manner that students can grow physically, socially, mentally, morally, emotionally, and civically according to their maturation levels.

The teacher is a source of information, inspiration, and guidance.

We believe that the relationship among the administration, teachers, pupils, and other school personnel should be friendly, personalized, and mutually respectful.

Students are promoted on the basis of individual application and progress.

We believe that the curriculum should be broad and offer as many courses and activities as the facilities and personnel will allow. In addition to required subjects, we offer elective courses in English, mathematics, and science. Student activities, which are an integral part of our curriculum, enrich the curriculum and prepare students for more effective community life.

Eastside High School is the nucleus of our community activities. It influences community thought and action and is in turn influenced by community thought and reaction. Our school is the cultural, recreational, and civic center of the communities which it serves; also, it is the chief source of education for the youth and adults in these communities.

ELEMENTARY HIGHLIGHTS

Eastside High Teacher Has Busy Year

Alexandria — Mrs. Katie Anderson of Jonesboro has had a very busy year of educational experiences. Regular duties are those of first grade teacher at Eastside High School, Farmerville, La.

During the session 1967-1968, she had the added experience of being Conservation Teacher at above mentioned school, sponsored by the North Louisiana Supplementary education center.

Mrs. Katie Anderson

Educators from various parishes in the state visited the Center, where Mrs. Anderson demonstrated Conceptual Conservation. Her purpose was to give continuity to the progressive teaching of forest conservation through all grades.

Hats off to Mrs. Anderson for a successful endeavor. May this much needed work continue.

Mr. Oakland B. Adams, principal at Eastside High School in Farmerville, has been appointed cooperating principal for the Center.

Mrs. Katie S. Anderson, first-grade teacher at Eastside Elementary School in Farmerville, has been appointed demonstration teacher for the Center.

ally.

* * * * *

The first-grade conservation demonstration class at Eastside High School, Farmerville, has had two field trips to the woods near the school. The class has made table-top displays, posters and chart-stories about their trips and has had the District Forester, Mr. Jack Rockett, show slides and talk to them about forests. Mrs. Fay Futch, Union Parish Supervisor of Instruction and Miss Bonnie Mae Smith coordinator of Elementary School Conservation, North Louisiana Supplementary Education Center, Work closely with Mrs. Katie Anderson, the demonstration teacher and Mr. Oakland Adams, the cooperating principal, in procurring materials and in developing ways of using local agencies for assistance.

November 3, 1968

EASTSIDE HIGH SCHOOL — Mrs. Katie S. Anderson, pictured above, gave a lecture to college seniors, visiting and supervising teachers and staff members recently at the Forestry Workshop, Arkansas AM&N College, Pine Bluff, Arkansas. Mrs. Anderson purpose was to give continuity to the progressive teaching of Forest Conservation through all grades. She has done demonstration teaching in the area of Conseration and teachers from throughout North Louisiana have sat in on some of these demonstration lessons. Mrs. Anderson has attended NLSC where she received training in this field.

DEMONS'S R

FAMILY LIFE CONFERENCE T

ATHLETICS AT EASTSIDE: THE WINS AND LOSSES

By Jacky Hunt

Athletics, as much as anything else, has played an important part at Eastside High School. Eastside has always been known as a producer of fine football teams and relatively fair basketball and baseball teams.

The year of 1968 was no exception. The Demons football team posted a four and one district record, losing only to our arch-rival Westside High. The Demons record on the year was seven to four. The four and one in district play was good enough to give Eastside the District Championship solely for the first time in the schools history. Although the Demons have been tied for the district championship and finished second on numerous occasions.

Feeling the fangs of the Demons in '68 were Springville, 6--0; McCall, 32--6; Pincrest, 33--12; Jackson 13--0; Lincoln 26--12; Richardson 7--6; and Grambling High 19--7. During this time the Demons were distributing losses among Richwood 25--14, Westside, 12--7, Morehouse, 19--7; and a playoff lost to McCall 21--20. Although the Demons could advance no further than the zone play-offs, it wasn't because of a lack of spirit. With a large host of juniors and sophomores returning the Demons should advance farther.

The outlook of the basketball team is not as bright as football was, but the Demons do muster out a few wins. Although the basketball players are not champions, they can play the spoiler and beat the top teams on any given night. The girl's team is above average and have proven this on several occasions.

SAFETY PATROL ORGANIZED

Safety at Eastside was an "understood" but unspoken word until someone took the time to place some rules of safety into words. Mr. Leonard Irving, a student teacher at Eastside '68-'69, organized the patrol.

To abet the character and moral of Eastside Students, Mr.

GUIDANCE COUNSEL

The Guidance Department is in the process of planning a family Life Conference on the Eastside High School campus. The president of this institution is Dr. Lucy J. McIntosh.

The theme for the year is "Strengthening Lines of Communication Between Family Members."

The film will be on the subject of WALK IN THEIR SHOES: Child-Parent Communication. The film is about a young man and his younger sister. Stan and his younger sister, Sheryl, resent their parents' interference in their affairs. They feel they are mature enough to make their own rules regarding dating and socializing with friends. When Stan is given the chance to take care of Sheryl while the parents

AID SECOND EDITION

FARMERVILLE, LOUISIANA

O BE HELD AT EASTSIDE '68

OR HOSTS CONFERENCE

are out of town, conflicts arise. Stan finds himself echoing many of his parents' admonitions to his sister.

This is what some of the students have to say about the topics or problems to be discussed in the area of improving communication.

1. Problem with sisters and brothers.
2. Going out (parents misunderstand and do not want me to go).
3. Parents misjudge me because of my brothers (smoking and drinking).
4. Parents won't allow me to decide for myself.
5. Parents don't understand or trust me.

DEMONS' RAID

EDITORIAL: Take One Giant Step And Freeze

Today, in these times when no one is deprived of anything, we tend to take things very lightly, with very little concern about the next day or in the future days to come.

No one with good control of all his faculties would say that educationally we are not being neglected. We can only say that after the main course we are full and the rest is left untouched.

Today, we see high school as being a place where we are inclined to find social graces or to become an athletic hero. Others try to make it by playing the age-old game of favoritism among the teachers.

Some students often become parasitic; this is to say they have others to get out their lesson while they talk to their favorite girl.

Upon entering college these very students are the one who have to hope, wish, and pray: (1) hope that they can grasp and understand what is being said, (2) wish for all the good knowledge that the teachers in high

STUDENTS (EHS) CHOSEN FOR LIALO

Eastside's best will be represented at the LIALO Testing at Carroll High School on February 1, 1969. The students and the areas they represent are as follows:

Rose M. Fields, Linda Wayne --Sociology

James Bright, Bobby Andrews --World History

Marilyn Rivers, Beverly Andrews--Geo.

Floyd Simmons, Mary Caldwell--American History

Juanita Kendrix, Jimmie Andrews--Civics

Sandra Adams, Everlyn Traylor--Music

Von Moses, Deborah Lee--English
